THE LOSS OF THE P. & O. STEAMER CARNATIC. The following account of the girgunistances On Friday afternism, at about 5 o'clock or ttending the loss of the above ship has been way. Il and 16 fathoms under the stern. impossible for the ship to move or be in danger THE MURDER OF MOLLE. TINNE. The Malta correspondent of the Times mys:

The captain remained on deak the whole night, and abortly after 2 A.M. on the 14th the water commenced to rise and the passengers desired decounts have been received from the interior to go on the fore end as a precaution. At on the Preston cricket ground, where he was for Tripoli, announcing the market of Mille. Time weather, the foresail, and jile Tunishment.—News of the World, and two Dutch sailars, her only Paropean were sit, the sheet anchor let go, provisions

bearts within during the next two or three second despatch. By the first steamer leaving been piled up in the space between the funnel abyss, where he raised and waived his hat, and trade being burdened with these exactions contrition for the deed which he had com. A feast of fat men has been held at Norwalk. days. There may or may not be a macognore of the decreased and it was in this space that Supposing the Transit Ducs are done away mitted or to state any circumstance of Connecticut. One hundred and forty of the against a visible enemy, and then at last the lady arrived at Malta, en route to Tripoli, in all were crowding to get to the boats, and when centre to the American shore it was evid of y provocation which might seem to mitigate its greatest men of New England and the adjuning column returns to Warsaw. Yes, there as a order to take the necessary steps, if possible, but at last the

confused mass, so that it appeared alimist inipossible to find a clear way to the surface When did reach the surface I was seized hold of by two men -one catching hold of each arm-and was again dragged under water, but these men must have been very much exhausted, as I soon succeded in shaking them off. Once again on rising, and endeavouring to support myself on a floating box. I was milled under water by an ne Suppy struggler. On extricating myself from in chitches, I ro e to the surface for the third time, at last succeeded on reaching the foretop, which by reason of the vessel having fallen on mr port aide, was scarcely above the water.

"Unless you appland Mr. Kean as he has latherta been applauded, you will not see him . 274.625,000 | act as he has hitherto note i." Such was the message of Edmined Kein to an Amercan audience; and however we may simile at the arrogance of the man, we cannot but appreciate the sincerity of the artist. Kean's whole sout was in his art, and he chafed and fretted when unable to act up to bis own conception of an author's meaning. He felt that without applause he could not give full play to his illfated genius, and was satisfied with nothing to two and a quarter millions adopted another and to them more comfortable theory on the subject of applause, and instead The Estimated Deficit for the current year, of complaining of its absence, think proper to andience. This is especially true as regards sinks even the strongest and most expert swing. The Government declares its intention to burlesques. A new piece appears, and out of mers without himment's warning, is pecessarily bide nothing, but to tell the whole truth to the compliment to author or actor a song or dance. very much a majority of cases fatal, and even where deficit to continue. bence, and this novel method of practisting ner of exploding them; novertheless, many will the majority of cases futal, and even where deficit to continue.

the author of deviantion had caused a crowd be better extisted if I particularise a little in Reductions have already been ordered if to advertisement, is "encore! nightly." and is EXTRAORDINARY TRIAL FOR POISONING IN FRANCE.

An extraordinary trial for poisoning has just taken place before the Court of Assizes of the Surthe. The accused were the mistress of the of crimes dite has far back as 1866, and one of the most singular facts in this affair is, that not with a saiding the almost undisguised manner in which the four persons were successively removed, four years should have clapsed before the guilty parties were brought to justice. I' a women Minnly now uged 39, had been married when young to Stanislas Janvier, a man whom she disliked; the result was that she deceived him, and he, who was aware become her confidante in all her intrigues, and pumps were set on. Anchors were got out to their intercourse, and a week after her arevery limb. When he was picked up he was aftern, and every exertion made to heave her trival was despatched with a similar dose of archeseless, and on recovery stated that his spine off. Finding this hopeless, from the quality senie. Louis Dabouncau, stepfather of Anne The Presion Herald relates a shocking story had been burnt. Dr. Broughan however, who of water she had made forward, and heing burnt. Dupin, was also taken ill and died suddenly one aground from funnel to bows, it was considered day when he had been working with her, and on his body being recently exhumed traces of poison were found in his remains; finally the servant's own son, a lad of 15, had become newith corn! buttom. The bonts were watered, quainted with the practices of his mother, and having one day threatened to denounce and provisions got up about 6 r. w. and a her, shortly afterwards expired noder simimeeting was then called of all the passengers, lar saspicions circumstances. The woman and they decided to stey on board as it appeared who at some got rid of the servant whose presence he disliked. Anne Dupin then wrote unless from a sudden gale apringing ap in very to him a letter threatening to accuse his wife. unlikely thing to happen at this time of year. of passoning Janvier; but Miard, not believing from Bombay, were both expected to pass the alony, gave the letter to the police. The alony day, and would have taken them off.

The custom remained on deak the whole night. were arrested, and then accused each other.

The trial lasted four days. The woman Dupin was condefined to hard labour for life, and Madame. Miard to twenty years of the same Those on board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson board the shipping in the harbour was going on a Complainant; She keel was amounted by Professor Jenson being a complished it was in the presence of a complished it was ACROSS NIAGARA ON A BICYCLE then thrown out—one in the articles, and the other forms of the direction of her other by a correspondent. It has been suggested in the first, that, as the Colony does not want any money from this to suppres gambling will tend any some factor of the control of after dinner Parker was taken to the Infirmary. Tuhurat, to escort ber himself thouse to Ghat, taken off. The passengers were then taken round of wood, without tires, but in their places are From his entrance into the House of Recovery fell in with a party of six Arabs and eight from the reef to Shadwan and landed there groves an inch and three-quarters deep. The the paretysms of agony became more frequent, Toursess, headed by El Hadj Esscheith Bon safely at 6 P.M. At 8 o'click, just as the chief front wheel is 3ft 2in. and the hind wheel 2ft. became almost unbroken. in the size of body, thereby effecting a vast ectionary of space, achieving a clearness not previously attained, and dispensing with those previously attained, and dispensing which have heretofore alunacturized Chinese publications. The scope of the work is so great, and its thitarium purposes so complete, that a reference to its pages enables a person who understands English to communicate effectively with natives who understand nothing but Chinese. In this respect the work will be found indispensable to all Europeaus residing in China, and to the natives themselves it explains subjects fully, with which very few in-deed of them are perfectly nequainted. To parties resident in England and interested in Think it cannot but be invaluable occasionally. It comprises upwards of two thousand large dustrico Duffest TRUBNER & Co. 60. PATERNOSTER ROW W. H.
